

Submission Guidelines for Images

You would like to submit new images? We are looking forward to it! To ensure a smooth submission workflow please find all the information you need within this document.

If you are sending images to lookphotos for the first time please send an email with your contact details and a link to your website to photographers@lookphotos.com.

If you don't have a FTP account yet, we will be pleased to set it up for you. Alternatively, you can send us an USB stick or an external hard drive or use www.wetransfer.com to submit your data. You can find our contact details at the end of this document.

Images

Please consider the following image submission standards:

- Please submit JPGs in high resolution
- Maximum image size, at least 12 mio. pixel (or 35 MB without interpolation)
- At least 300 dpi
- Adobe RGB (Adobe 1998 color space)
- No alpha channels, paths, layers, guide lines or color charts in the image
- File names without any spaces, special characters, numbers or accents (ä, ö, è, é, &, /, #, etc.)
- Organize images into folders based on destinations. No subfolders.
- Create an articulate description for each image in the IPTC data "Description" window (max. approx. 70 characters - please include exact location, name of the place of interest, region, etc.)
- In addition, add your keyword suggestions (IPTC "Keywords" window), that elaborate on the image description (e.g. conceptual, exact location name)
- If necessary, please include model and property releases
