However, until such an Invoice is issued to you for the applicable Reproduction fee for the use of our high-resolution Images neither party is committed to grant or to use any Reproduction rights in any of our Images. After a Reproduction fee has been agreed and an Invoice/Copyright License issued and subsequently paid by you, you are granted specific reproduction rights and you may then use the Images, subject to these Terms and Conditions.

In any event, the limit of liability of the copyright owner of the Image, their representative, and ClickAlps shall be the fee paid for reproduction of the Image to ClickAlps.

12. INDEMNIFICATION

You agree to indemnify and hold ClickAlps and its Photographers harmless from any and all claims, liabilities, damages, costs and expenses, including reasonable attorney's fees, arising from the use of an Image or any breach of this agreement. You are responsible for loss or damage to the Image(s) delivered to you from the time of receipt until their return to ClickAlps.

You are responsible for the safe delivery and return of the Images and you indemnify ClickAlps against loss or damage to the Images in transit or whilst in your possession. This agreement is not considered a bailment and is specifically conditioned upon the items delivered being returned to ClickAlps in the same condition as received.

You acknowledge that ClickAlps must be advised in writing of any re-use or extended use prior to each release or publication.

Quick Download Facility

The quick download facility allows you to download high resolution images without a commitment to use the image at the time of download. Having access to this feature on the ClickAlps website means that we have activated the feature on your account. Should you use this quick download facility, then the following terms apply which are in addition to our standard terms and conditions available on our website.

You must inform us before using the image and provide us with all relevant usage details. Upon confirmation of usage an invoice will be raised which must be paid in full before the image can be used.

You must inform us of any future additional use which will then be invoiced accordingly.

If the image downloaded is not to be used now or at any point in the future, then it must be deleted unless a special agreement has been authorized by ClickAlps.

If the image is being retained for use or consideration of use at a much later date, then all relevant image and usage details must be retained for anyone else within your organization to contact ClickAlps with any such usage requests.
